

TECH TUESDAY

This week's key question is...

What devices connect to the internet?

The objectives we are covering:

I can identify devices I could use to access information on the internet.

I can explain how some people may have devices in their homes connected to the internet.

The resources we will use:

N/A this week

Useful links for parents:

[Parental controls and privacy settings guides | Internet Matters](#)

This webpage from Internet Matters provides handy guides to set up parental controls on a range of devices and applications.
